

Dear WMS Families:

Hello, my name is Mr. Graber, and I want to take this time to welcome each and every one of you to WMS. I hope you all have had an opportunity to enjoy summer. Hard to believe school is just around the corner. I am excited for the opportunity to get to know each of you and your student(s) over the course of this school year.

I want to take this time to also let you know of some changes to dates you may have heard around the community or seen on our WMS Facebook page. This year we are doing a couple of things differently. First, we are combining our Supply Night and our Back-to-School Night into one night. During this night 7th and 8th grade students will have the opportunity to checkout their school issued student laptop. To be able to do this on the 14th the tech fee will need to be paid, and parent/guardian in attendance to sign off on some forms. The 6th grade parents will need to have the same done that night, but we will give the 6th grade students their laptops over the first few days of school.

August 12: 5:30-8:30

-5:30-6:20: Supply Night (students may bring their supplies and put them in their lockers, check their lockers and combinations)

-6:30-8:00: Back-to-School Night (Similar to previous years students and parents will do grade level rotations with a Tech rotation)

-8:00-8:30: 7 & 8th grade computer deployment

I hope you all enjoy the last few days of the summer break, and are geared up for another great school year.

Raider Pride
