Kindergarten

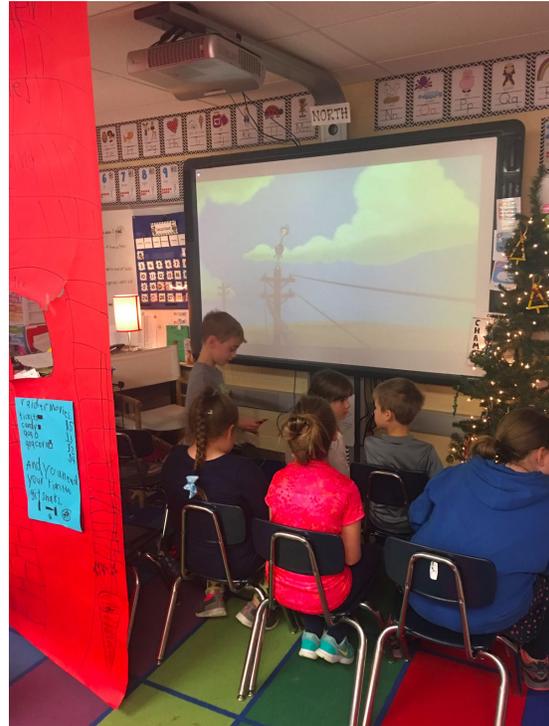

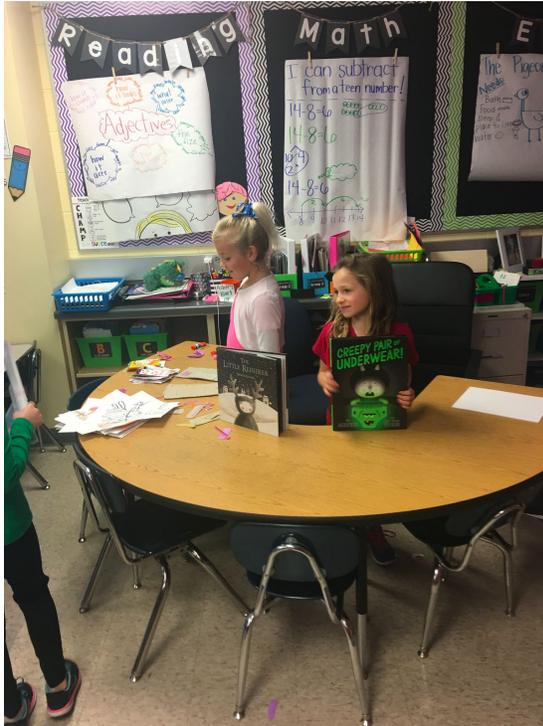

The kindergarteners at Central were busy during the month of December. We got into the holiday spirit by talking about wants and needs, decorating Christmas trees, painting with snow paint, and doing round table discussions about our families' traditions. We also worked on comparing written numerals and sets of objects in math. The kindergarteners also kept busy with a lot of writing activities. We enjoyed writing letters to Santa and writing about our wants and needs. We rounded out December with fun STEM rotations on the last day before break. We got to visit all of the other Kindergarten classrooms and did fun activities like building a Christmas tree out of gum drops, making reindeer food, building a snowman out of marshmallows, stacking cups to make a Christmas tree, and doing a science experiment about fizzing candy canes. We had a lot of fun before we headed home for Christmas Break!

First Grade

During the month of December we focus on wants and needs. This year we did our annual service project to raise money for those who don't have what they need. This year we partnered with Heifer International to raise money to buy an animal for a family in a village in a third world country. Our goal was \$500 so that we could buy a heifer! Our first graders bypassed this goal with their generous hearts and raised over \$800. A giving anonymous donor said they would match whatever our first graders raised so in total we have \$1,636 to buy animals through Heifer International for those in need. We were blown away by everyone's generosity!!!

This month students also get to experience what it's like to earn money, have a job, make goods and services, and make choices with saving and spending money through our KidTown unit. It is so fun to see all our first graders' creativity! From hair salons to photography studios, from football stadiums and movie theaters, our kids had a blast hosting classes in their towns and visiting other classes' towns as well!

Second Grade

December was an exciting month for the 2nd graders. We completed an engineering and design unit this month. The students learned about important inventors from our past. We have discussed Benjamin Franklin, Orville and Wilbur Wright, Thomas Edison, Alexander Graham Bell and many more.

Along with engineering and design 2nd graders took a trip around the world learning about other Christmas traditions. We learned about Christmas in Canada, Mexico, England, Australia and Germany. We talked about St. Lucia Day in Sweden, and then played Dreidel in Israel after learning about Hanukkah. We also incorporated engineering and design with our unit. We built catapults and launched gum drops through a poinsettia wreath while in Mexico. The kids loved pretending to fly to these far off places, learn about the traditions, act out some of the traditions, play the games, and make "souvenirs" to keep in their paper suitcases.

Central Music

On December 7th, 2nd grade students at Central presented their music program, “Winter Traditions Around the World”. Songs from many different countries were sung including those from England, Ireland, Mexico, France, the Netherlands and the United States. Each student had a special part that showcased one of their special music talents! The audiences packed the gym and the students did an exceptional job performing the show for family and friends!

Technology

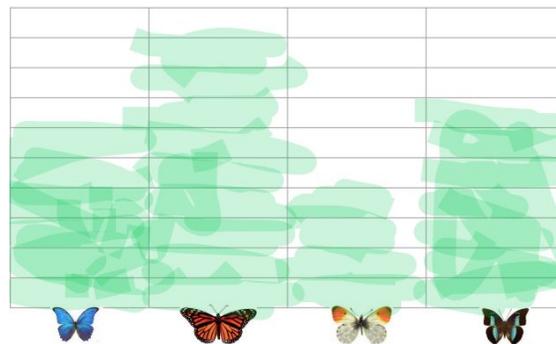

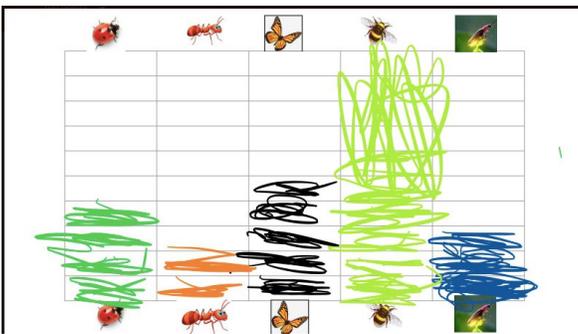

Typing Club is a program that the second graders are using to learn to type. The week before Christmas they took home a form that showed the percentage of keys they have already learned as well as their speed for the keys they have learned so far. They also reported on the hardest part of keyboarding and what they were most proud of at this time. They also created a talking Christmas character to say a holiday greeting to their parents on Chatterpix.

In first grade, students each created a movie using the Shadow Puppet app. Students chose a Christmas song, found pictures depicting parts of the song, and sang the song while moving the pictures. Students then sent this to parents on Seesaw. [First Grade Christmas Video](#)

Kindergarten students finished their insect unit with graphing. They graphed bugs from a spinner onto paper first, then transferred that graph onto a Google Classroom slide. Students then counted Augmented Reality butterflies from the Live Butterflies app and graphed them online. Students were able to play a game on the Live Butterflies app as well as PBS Kids Cookie Creation on their iPads and ABCya Christmas programs on the computer.

Local PEO Woman's Group makes Donation

Thank you so much to our local PEO Woman's Group for the generous donation of clothing items to Central Elementary. We received a large tote filled with underwear, socks, pants, shirts, coats, etc. All of this will be used in our office for students who need it!! Thank you so much for your amazing generosity!

- **Second Step Social Emotional Learning Curriculum Updates**

During the week of November 27, 2017, the Second Step lesson in third grade was about Accepting Differences. Accepting and appreciating others' differences is respectful. Students worked with a partner to identify similarities and differences between themselves. They then colored their "Friend Ship". Hopefully, they brought their paper home to share with you. There is no Third Grade Home Link for this lesson.

In fourth grade, our Second Step lesson was about Joining In. The students practiced, in small groups, how to join in. The skills they used were:

1. Stand nearby, watch, and listen (for several seconds).
2. Give a compliment, ask a question, or offer help.
3. Assertively ask to join in.

Joining in isn't always an easy skill and some students struggle with being assertive. The students also learned that if they see someone playing alone, they can invite them to join you or your group.

Fifth grade students learned about Responding with Compassion. They have been learning about empathy, and compassion is empathy in action. The students practiced responding to scenarios with compassionate words and actions. Showing compassion for others is the respectful, kind thing to do. Having empathy helps us show compassion.

During the week of December 4, 2017 and the beginning of the holiday season, it was only appropriate that our lesson be about Showing Compassion. Students learned that compassion is empathy in action. Third grade students practiced things they could say or do to show compassion in response to scenarios. Through focusing attention and listening, students can understand what others may be feeling. Then, they can take the next step and say kind words or do something helpful to show compassion.

The fourth grade lesson was also about showing compassion. The students worked with partners to identify two different things they could say or do to respond to given scenarios with compassion.

Fifth grade students have finished Unit 1 in Second Step and started Unit 2: Emotion Management. The lesson this week was Introducing Emotion Management. Students learned how their bodies respond to strong emotions. They also identified a personal signal, for when they have strong emotions, that they can say to help them calm down. The students then worked with a partner to practice saying their stop signal and naming their feelings in response to scenarios.

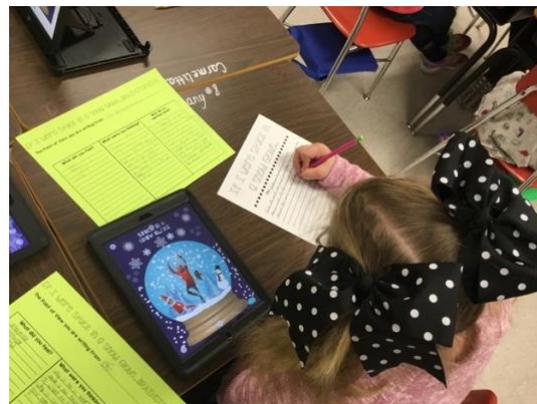

During the week of December 11, 2017, our final Second Step lesson this semester for third grade was about Making Friends. Students worked with partners to start a conversation and keep it going. Making conversation is an important social skill that students can use to make friends.

The fourth grade lesson was Introducing Emotion Management. This lesson begins Unit 2: Emotion Management. Students worked independently on identifying strong emotions, triggers, and the physical signs they have that indicate it is time to calm down. We will be continuing emotion management when we return from winter break.

For fifth grade, we learned about Calming Down. Students drew a cartoon of their stop signal, named the feeling, and identified two calm down strategies; breathe/count and positive self-talk. We will continue this lesson and more on emotion management when we return from winter break.

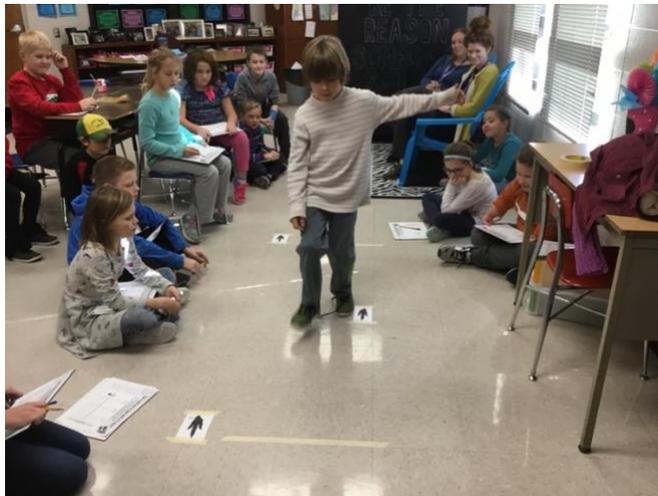

- **Third Graders Focus on Writing Trait of “Voice”**

In writing, third graders have been learning about the writing trait of voice. Voice is the personal tone and flavor of the author's message. To practice writing with voice, students created a picture of them stuck in a snow globe in the PicKids app on their iPads. Then, students were challenged to write with voice from the point of view of an item in their snow globe picture. Finally, students posted their pictures they created and recorded their stories in the SeeSaw app for their parents and classmates to enjoy.

- **Third Graders Explore Animal Habitats in Science**

In science during the month of December, third graders learned how animals and their habitats are not constant. The habitats of animals change over time and looking at fossils gives us a window into the animals and habitats of the past. In one lesson the students completed, they were asked the question, “Can you outrun a dinosaur?” The students saw pictures showing how dinosaurs didn’t just leave behind bones, they also left footprints, some of which fossilized. By examining their own footprints and those of living animals, students were able to deduce how quickly some dinosaurs were able to run. Students carried out an investigation by comparing the stride length of student runners to the stride length of a comparable sized dinosaur, CeeLo. They used mathematics and computational thinking to record stride length, graph the value, and determine the speed at which the student was running.

Can a kid win a race with a T. Rex?

Use the number line on this page and the graph on the next page to figure out the answer.

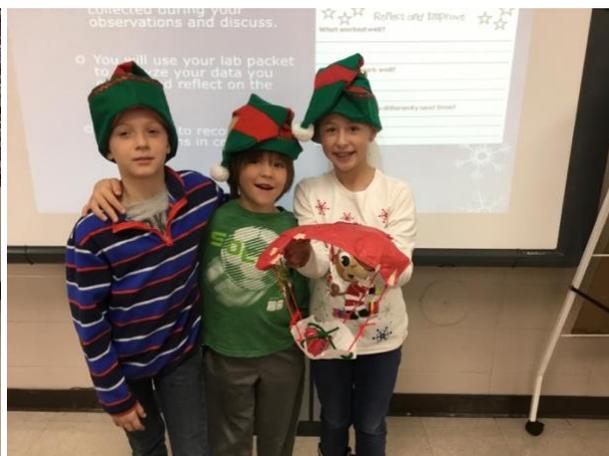

YOU NEED
• A pencil
• A ruler

- 1) Write the names of the three runners on the lines to the right.
- 2) After each runner tries to beat CeeLo, the Measurer will call out the result — how many inches the runner won by or lost by.
- 3) Circle the result on the number line under the runner's name.
- 4) Choose one runner. Follow the dotted line to the right to find that runner's stride length.

RUNNER #1	RUNNER #2	RUNNER #3	STRIDE LENGTH
(name)	(name)	(name)	
+7	+7	+7	74
+6	+6	+6	73
+5	+5	+5	72
+4	+4	+4	71
+3	+3	+3	70
+2	+2	+2	69
+1	+1	+1	68
CeeLo's Stride Length 67 inches			
-1	-1	-1	66
-2	-2	-2	65
-3	-3	-3	64
-4	-4	-4	63
-5	-5	-5	62
-6	-6	-6	61
-7	-7	-7	60

- **Third Graders Explore the Scientific Process with STEM Activity**

In science, third grade students were introduced to the scientific process through a STEM project. Students were given a research question of “How can you build a parachute for Santa that will allow him to deliver packages to all the children on the NICE list?” Students then watched videos on the basic understanding of how a parachute works. With that knowledge, they were placed into teams and drafted a design. Then, students began to build their prototype of the parachute and began testing. After each trial, students were asked to evaluate the performance and make modifications based on its deficits. To finish the engineering lab, students tested their parachutes as a class and were able to see what worked well, what didn’t work, and what they would do differently. Finally, there was a class discussion about which parachute had the best overall design and what students learned throughout this STEM project! The students absolutely loved this project!

- **Fifth Grade Junior Raiders Choir Performs for Area Nursing Homes**

The West Elementary Junior Raiders Choir traveled to Vintage Park, Grandview Suites, and Valley Vista Good Samaritan Center on December 18th to perform their Christmas show and spread some holiday cheer! They also started off the West Elementary Winter Extravaganza on December 19th by singing their songs to the students, teachers, and guests. The choir is directed by Marcia Hermesch.

- **Fifth Grade STEM Club Session II Begins January 30**

Session II STEM Club will start on January 30 and will be on the following dates: January 30, February 6, 13, 20 with the Share Fair February 27 at 4:00pm. The sessions will include basic activities on computers and iPads to learn how to program robots, write code, and explore other STEM activities. Thank you to Ms. Rice and Mrs. Dau for providing this opportunity to our fifth grade students!

- **West PBS Team Plans “Motivators and Morale Boosters” for Long Winter Months**

The West PBS Team has come up with ways to keep spirits high and morale positive during the long winter months. Here are some things our staff and students will look forward to starting the week of January 8.

Each Monday, we will have some sort of little “treat” or “surprise” for all staff to take from the workroom. These will just be little “boosts” to brighten the start of your work week. They will be in a large basket with a little saying to kick-off your week! We will have enough for each staff member (certified and classified) to take one of each treat we provide each week.

One day a week, we will have an extra recess per grade level. The extra activity will be good for kids.

On Wednesdays, sign-up to bring a healthy snack, if interested!

Mrs. Langford will pop popcorn on Thursdays – submit your orders for your class to the office (for free).

On Fridays, during the months of January and February, I will allow staff to leave when students are gone. Please be sure to “mix up” after school hill duty so that everyone gets a fair chance to leave as early as possible! AND, make sure you don’t leave until students are truly gone!

We are also going to have a “Team Step Challenge” this spring. Mrs. Butler is working on details of teams and we will have prizes at the end of our challenge. Be watching for details! If you need something to track your steps, we have some pedometers you can use. Also, she is working on a Kindness/Following Expectations activity for our kids – details coming soon!

We hope this will help make the winter months a little brighter! Thank you for all you do each day! YOU really are what makes our school so great!

- **West Elementary Students to Attend McCain Performance of “Freedom Riders”**

All West Elementary students will be attending a performance at McCain Auditorium on the Kansas State University campus on January 24 of “Freedom Riders”. Students in fifth grade will attend a morning performance and students in third and fourth grades will attend an afternoon performance. This is a FREE learning opportunity for our students!

Freedom Riders is the latest edition to the canon of American History plays by Mad River Theater Works. This new play, with original songs and music, explores the valiant and courageous personalities behind one of the most critical chapters in the history of the civil rights movement. Freedom Riders demonstrates the importance of working together to affect change and specifically how nonviolent protests were used to focus attention on the cruelties of segregation. Set in 1961, 15 years after the U.S. Supreme Court had outlawed segregation, bus lines and cities throughout the South still enforced a rigid system of separating black and white citizens. The Freedom Riders, both black and white Americans, from the North and the South, decided to travel together on buses that crossed state lines despite the hateful segregation and racism that had a strong hold in so many parts of the United States. The unforgettable heroes, and the facts behind the events portrayed in Freedom Riders, are essential to a full understanding of the civil rights era and American history. Play by Jeff Hooper. Music by Bob Lucas. "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." — Margaret Mead

- **News for West Elementary Specialized Teachers – Art, Counselor, Library, Music, P.E., and Technology**

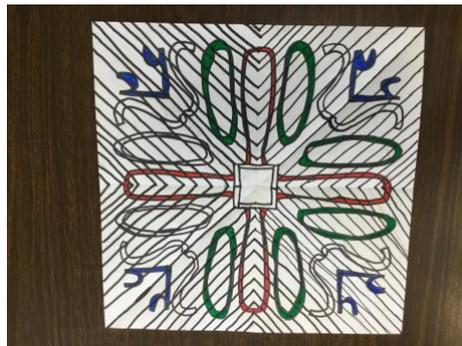

Out of the Crayon Box...Artistic Happenings from the West Elementary Art Classroom:

Third Grade:

The students are still progressing with their Pop Art Glasses. They have begun the process of planning where to glue the pieces that they have decided are important and will finish up gluing in the very near future. Once the glue has dried, the students will add designs in the colors featured on the box pieces to unify their artwork. Please keep in mind that we will be taking a short break after returning from our Winter Break to begin working on the children's' Living Museum Portraits.

Fourth Grade:

The students are working on finishing up their Geometric Name Designs and many of the projects have changed entirely with the addition of color.

Fifth Grade:

As we finish up exploring the grid drawing method, the students have a better understanding as to how math can assist them when it comes to drawing. After returning from Winter Break, the students will be able to select something they would like to learn how to draw and use the grid method to assist them with this task.

Counselor's Corner:

During December, the students continued with the Second Step lessons. All grade levels finished the unit on empathy. We discussed various ways we can show empathy towards those in need, especially during the holiday season. Fifth grade students began the Second Step unit on emotion management. The students began learning how to identify and control strong emotions.

Students also continued learning about the brain and how to take responsibility for their learning. During the month of January, all students will be learning about emotion management.

Musical Notes for the month of December:

Third grade is rehearsing for their concert on February 26, 2018. They will perform the show "Mighty Minds!". Fourth grade is rehearsing for their concert on January 29, 2018. They will perform the show "Summer Camp.". Fifth Grade practiced their recorder playing and music reading skills. They reviewed the songs "Peas Porridge Hot" and "Canoe Song". They also learned the songs "Jingle Bells", "Jolly Old St. Nicholas", and "Old MacDonald".

All third, fourth and fifth grade classes enjoyed singing through Christmas Carols. The West Junior Raiders Choir Christmas Caroled on December 18th at Vintage Park, Valley Vista, and Grandview Suites. They also performed on December 19 at the West Elementary Winter Extravaganza.

Library News for December:

In conjunction with Read Across America Week coming up in October, the West Library is partnering with the Wamego Friends of the Library organization to provide every child at West with a free book! Also, the Friends of the Library will be providing an additional book to each child at West that participates in Literature Club as part of their spring celebration! We so appreciate the Friends of the Library and their support of reading in our schools in USD 320.

Also, Mrs. Spears has been busy preparing for our annual School Spelling Bee. She prepared all materials for the bee and will serve as a judge. We appreciate all Mrs. Spears does to organize the West Elementary School Spelling Bee!

Physical Education News for December:

The West P.E. classes enjoyed playing basketball this December. The students worked a lot on skill building. Dribbling skills were worked on with emphasis on using both the right and left hands. We worked on dribbling while guarding the ball. The students practiced dribbling down court and keeping eyes focused on where they were dribbling while keeping the ball under control. We had relay races and played a fun dribbling game called Dribble Battle Ball. We also did fun exercises with the basketballs.

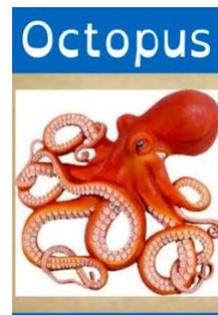

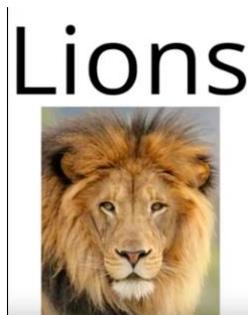

Shooting skills were practiced. We use an acronym B.E.E.F. to emphasize to the students good shooting techniques. B.E.E.F. stands for balance the ball, elbow up, eyes on the basket, and follow through. The students had fun playing some classic shooting games like HORSE, Knock Out, and Christmas Spelling Shoot Out. We ended the unit by having scrimmages.

The students started 2018 by setting fitness goals and sharing how they planned to accomplish their goals. They shared their goals and plans with their classmates. They discussed if their plans were doable and gave each other positive feedback. We then played the "Xtreme" Exercise Skillastics game, which taught the students new and creative fun exercises. We played some upbeat music, which helped make the exercising more enjoyable. They can do these fun exercises at home now in 2018.

Technology News for December:

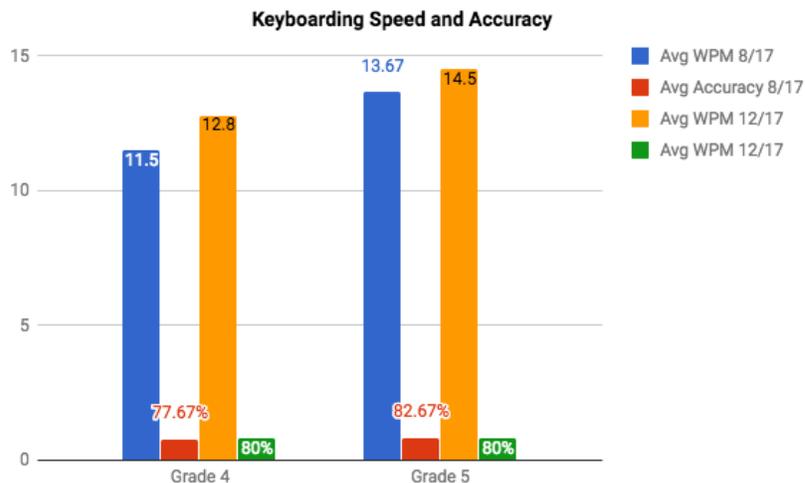

In connection with the classroom instruction on researching and writing a paper about an animal, the third grade students wrote nonfiction books in technology class using an app called Book Creator. They found appropriate pictures and text for the areas of protection, habitat, and food. Students also added their own voice reading the books. Many students went above and beyond by adding glossaries, page numbers, additional pictures, jokes, and fun facts. Some of these books will now be posted on Mrs. Benz's website for all to view. The

students at Central Elementary will also enjoy listening to them in technology class. It is nice to have a real audience for the students.

In fourth grade, students learned about money management with the online program called Everfi. Students play a game which teaches about ways to earn, save, and spend money. Students also spent time on keyboarding skills. See the graph below to show student progress so far this year. The week before Christmas break, students created an avatar of themselves and a Chatterpix Christmas message with it to share with their parents on SeeSaw.

Fifth graders have also been working on keyboarding. They also made a nice increase in speed and accuracy as shown in the graph. A survey was given to all fifth graders to see what technology they felt they needed and desired. The top requests were animation, coding, and using robotics. Students created an animated Christmas card as well as a Chatterpix message for their parents which was shared on SeeSaw.

- **KSU Block B and Early Field Experience Students for Spring 2018**

West Staff will once again be hosting Block B and EFE students from Kansas State University this spring! Our fourth grade team will be taking on Block B students. These are preservice teachers who are completing their Literacy/Science Block for elementary education. Early Field Experience students basically serve as “aides” to classroom teachers so that they get more experience in schools before beginning their Block classes. We look forward to supporting these future teachers in the learning process!

- **Welcome Student Interns!**

We will be welcoming three new student interns for second semester. We will have Matthew Scott, who will be Student Teaching with Marcia Hermesch in music from January 3 - March 2 and finishing the semester in band with Susan Gartner. Also, Lindsey Kelly will be Student Teaching in Fifth Grade with Natalie Dobie as her Cooperating Teacher. Kiley Crider will be Student Teaching in PE at the secondary level (WMS) from January 3 – February 28 and elementary level (Central) from March 1 – April 25. She will finish her internship with Sara McCarter at West in Special Education from April 26 – May 23. Welcome to all three of these future educators!

- **Congratulations to Lori Rice, Fourth Grade Teacher!**

Congratulations to Lori Rice for being selected to present at the upcoming M.A.C.E. (Mid-America Association for Computers in Education) Conference this March in Manhattan, KS! Ms. Rice will be presenting a session called “Student Feedback with SeeSaw”. We are so proud of her for being selected to present! Other staff from West that will be attending the M.A.C.E. Conference include Mrs. Buessing, Mrs. Haynes, and Mrs. Hirt.

- **Fourth Grade “Bell Ringers” for Salvation Army!**

Several of Mrs. Woodyard’s fourth grade class volunteered to ring the bell for the Salvation Army at Gene’s Heartland Foods on Tuesday, December 12. Students had a fun time and had many donations. A former student also helped out.

- **Specialized Team Rings Bell for Salvation Army at Christmastime!**

The specialized team continued their annual tradition of ringing the bell for the Salvation Army at Gene's in Wamego this Christmas season! We appreciate their generosity!

Wamego Middle School

It wouldn't be December without the **Feast of Carols!** Once again, we were richly entertained by our talented students who shared their choral and band selections on December 4 at the WHS Auditorium. It was a beautiful concert! Thanks to Mrs. Gartner, Mr. Richmond, Mr. Horton, and Miss Buttron for a lovely way to kick off the Christmas Season!

December 4 also brought partner battalion mates from the **3-1 AHB to Mix It Up Lunch.** Students enjoyed having a meal with the soldiers and having time to get to know the soldiers, as well as visit about their work. The soldiers will return on January 12 to conduct PT (Physical Training) during PLC Friday!

Student Council stayed busy in December, too! First, they made sure our commons Christmas tree was up and decorated. Then, they led the collection for our yearly Christmas contribution for the Community Health Ministry pantry. Our students collected 902 boxes of macaroni and cheese! That's an average of 2.48 boxes per student! Student Council members organized a fun pep assembly for our girls basketball players and wrestlers. Thanks to Student Council for their focus on their school and home communities!

Class News

Art students worked on carving blocks to create stamps. Mrs. Diederich commented that she'd never seen such focused concentration!

Select bands traveled to the Wamego Senior Center and nursing homes to treat our community members with some songs of Christmas. The **students in RSVP** also made a trip to Valley Vista, where they delivered some Christmas cheer! Thanks to RSVP for our teacher gifts, too!!

Mrs. Jardine's sixth graders took some time to decorate our office with multi-colored snowflakes, helping us get into the season (and wishing for a snow day!).

Seventh grade Language Arts students discussed thankfulness in November, then performed Random Acts of Kindness in December, like writing thank you notes to custodial staff.

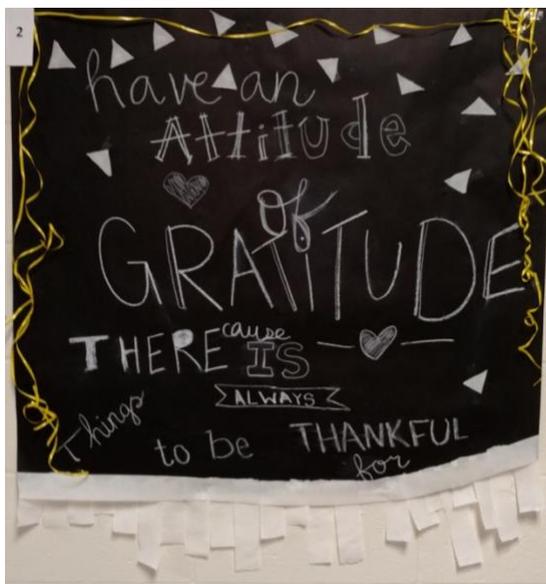

In **seventh grade science**, students used a face morpher application to understand how heredity works in determining facial features and characteristics. This was a great example of how we have used tech to do things we couldn't before!

Students in ELA 8 recently finished *The Diary of Anne Frank*, and had the good fortune to participate in an amazing experience, listening to Louise Lawrence-Israëls tell about how her family survived the Nazi occupation of Amsterdam by hiding in an attic during World War II. Mrs. Lawrence-Israëls, who spoke and answered questions for over an hour, was made available through the United States Holocaust Memorial Museum, thanks to the hard work of Mrs. Kaitlin Hoyle, 8th grade language arts teacher. Mrs. Lawrence-Israëls' message to our students? "Hate brings on more hate...Learn how you can make a difference in this world today."

The Ambassadors wrapped up the first semester with a Holiday Celebration, decorating cookies and playing games!

Several talented individuals participated in decorating the school with posters about **Kindness and Gratitude in December**. During Miss Dunn's counseling lesson on Perspective with 7th graders,, the students got into groups and created positivity and gratitude posters. The winning poster: An Attitude of Gratitude! Thanks to Mrs. Hoyle for our Kindness display!

Extremely proud of our **Lady Raiders Basketball Teams!** Both teams advanced to the NCKL Championship with wins over Abilene 35-30 (8th) and Chapman 35-13 (7th). In two tough losses, the Lady Raiders won the silver for WMS at the NCKL League Tournament!! Eighth grade fell to Marysville 35-33. Seventh graders lost to Clay Center 45-41 in OT. Overall, the team records were 7A 13-3, 7B 9-1, 8A 9-6, and 8B 4-7.

WMS Wrestlers achieved two significant feats this year –
 Undefeated in the regular season 12-0, and a first time ever **NCKL League Championship, with 196.5 points!**

Thirty-one wrestlers went to league tournament in Clay Center. We had Fourteen competed in the JV tournament with 13 of them placing in their weight class. On the varsity side, 17 of the 18 weight classes in the varsity tournament included a Wamego wrestler. Of those 17 wrestlers, 11 placed in the top 4 of their weight class.

Listed are the wrestlers who placed in the **Top 4 of their weight class.**

- Trayton Hartwich 2nd
- Blayden Schuck 2nd
- Tayke Weber 2nd
- Lane Jeaneret 4th
- Devin Siebert 1st
- Turner Smith 1st
- Gavin Thomas 1st
- Hayden Oviatt 1st
- Drew Brown 1st
- Koltan Boeckman 2nd
- Hunter Phillimore 2nd

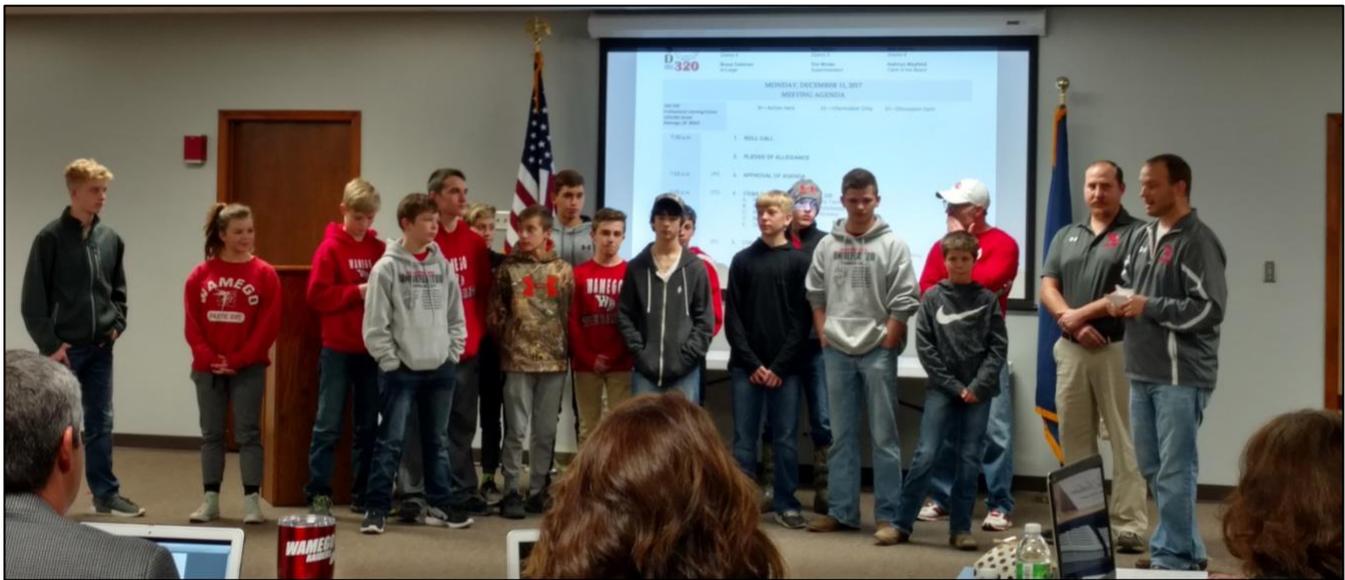

We also finished the season with **five wrestlers going undefeated** through our league duals and league tournament. The undefeated league champions are Devin Seibert, Turner Smith, Gavin Thomas, Hayden Oviatt, and Drew Brown.

**WMS Football 8 honored at the December Board Meeting
for their undefeated and unscored on 8th grade season.**

**WMS Wrestling Team honored at the December Board Meeting for their undefeated dual season and
for finishing the first time ever as NCKL CHAMPIONS.**

Faculty Activities

Welcome to our student interns this semester! Kiley Crider, FHSU, is with Mrs. Hodges and Mr. Schmidt. Taylor Woodward is teaching with Mrs. Stewart.

Every single member of the WMS Faculty and Staff completed their **ALICE Security Training** by December 19. As a celebration and a thank you for their dedication to our students, each member received two movie tickets from the WMS PTO! What a great gift, just before Christmas, as well as an acknowledgement of their hard work.

As always, our teachers continued their professional development and service to USD 320 and the community:

- Mrs. Grieves and Mrs. Kugler attended a one-day workshop in Eudora focused on interpreting and using the data that we receive for the Kansas Communities that Care Survey.

- Mrs. Hunt and Mrs. McCarter attended a three-day training, TASN Bootcamp for ABA and Verbal Behavior Program for Classroom Teams. The training included learning instructional strategies specifically for students who require very structured learning.
- Mr. Topliff participated, along with Mrs. Jennings and Mr. Winter, in a planning session with a CAT committee, starting the process for celebrating the Wall That Heals, which will be in Wamego this summer. Wamego will be the only community in Kansas to host this traveling version of the Vietnam Memorial in Washington, DC., this year.
- Dec. 13, Mrs. Hoyle completed an afternoon of coaching WMS teachers in the KAGAN cooperative strategies.

Re: Recommended Board Policy Update

Happy holidays! It was great to see so many of you at KASB's convention and 100th year gala. Thank you so much for helping us celebrate our history and allowing us to work alongside you in making our next century of KASB even better.

For those of you waiting with breathless anticipation for the December 2017 KASB Policy Updates, we have good news. We've intercepted your letters to Santa and have dramatically scaled back the number of our policy revisions this time. The beauty of being aggressive with our previous updates is it allowed us to cover a lot of ground in a short amount of time. And, in the calm after catching up with federal mandates under the Every Student Succeeds Act and the Uniform Grant Guidance, we're only suggesting one policy be amended, BCBK on executive session. Many of you may have already adopted it, as we first started distributing it in July when the changes to the Kansas Open Meetings Act on this topic became effective. We've provided some explanatory documents regarding the change in the law and how to use the policy as addendums to this update. We do recommend that you adopt the language as written as quickly as possible if you have not already. The Kansas Attorney General's Office has been very active in investigating Kansas Open Meetings Act complaints, and individual board members have been assessed fines for perceived violations.

DECEMBER 2017 UPDATED KASB POLICY

POLICY CODE OR DESCRIPTION	RATIONALE FOR RECOMMENDED REVISION OR ADDITION	RECOMMENDED ACTION
<p>BCBK (Executive Session) → REVISED</p>	<p>The 2017 Kansas Legislature made changes to the Kansas Open Meetings Act in H.B. 2301 affecting the procedures school boards need to use when they recess into executive session.</p> <p>As of July 1, 2017, K.S.A. 75-4319 requires the following:</p> <p>“Any motion to recess for a closed or executive meeting shall include: (1) A statement describing the subjects to be discussed during the closed or executive meeting; (2) the justification listed in subsection (b) for closing the meeting; and (3) the time and place at which the open meeting shall resume. The complete motion shall be recorded in the minutes of the meeting and shall be maintained as a part of the permanent records of the public body or agency. Discussion during the closed or executive meeting shall be limited to those subjects stated in the motion.”</p> <p>This new language changes the definition of what used to be “subjects” to now be defined as the “justification.” The term “subjects” now appears to mean the matter or issue presented for discussion and a school board must include a brief description of the subject(s) to be discussed while still protecting important privacy interests.</p> <p>With these changes to the Open Meetings Act, school boards are also reminded the KASB legal staff recommends that school boards go into</p>	<p>Review and adopt the policy (if you have not already done so) or submit your local changes to reflect the change in law to your legal counsel for review.</p>

executive session for one justification at a time.

Following the policy language itself, please find a revised chart for school board members and clerks to use in making the motions to go into executive session. As this is a new law, please be aware there may be additional guidance provided as legislative intent becomes clearer.

If you have any questions regarding these changes, please contact one of the KASB attorneys at (800) 432-2471.

BCBK Executive Session

BCBK

(See BBBB, BE, CN, CNA, ECA, IDAE, II, JDD, and JRB)

The board shall conduct executive sessions only as provided by law, specifically the Kansas Open Meetings Act (“KOMA”).

Sample Motion

Motions to recess into executive session may be constructed as follows.

“I move that the board go into executive session to [fill in subject(s)] pursuant to [fill in justification from 1-7 enumerated below] and that the open meeting shall resume at [fill in time] in the board room.

A subject of executive session would be the matter or issue presented for discussion, and the board member must include a brief description of the subject(s) to be discussed in the motion while still protecting important privacy interests. For example, the subject could be to discuss an individual employee’s performance, to hold a student discipline appeal hearing, to discuss potential litigation with our legal counsel, and/or any other matters as would appropriately fit under the justification to be utilized.

Acceptable justifications for recessing into executive session include the following:

- 1) The non-elected personnel exception under KOMA;
- 2) The exception for matters which would be deemed privileged in the attorney-client relationship under KOMA;
- 3) The exception for employer-employee negotiations under KOMA;
- 4) The exception for data relating to financial affairs or trade secrets of corporations, partnerships, trusts, and individual proprietorships under KOMA;
- 5) The exception relating to actions adversely or favorably affecting a student under KOMA;

- 6) The exception for preliminary discussion of the acquisition of real property under KOMA;
- 7) The exception under KOMA for school security matters to ensure the security of the school, its buildings, and/or its systems is not jeopardized.

NO BINDING ACTION SHALL BE TAKEN DURING CLOSED OR EXECUTIVE SESSIONS

When a motion is made to go into executive session, all blanks in the sample motion must be filled in.

The time the board will return to the open meeting and the room in which the meeting will resume will be specifically stated. If necessary, the executive session may be extended with another motion made after the board returns to open session.

Approved: 09/13/99; _____
